

Nothing But NET Emergency Contact Information Form

Please complete this form and return it to Nothing But NET for our records. This information is kept confidential and with your company record. All information contained is for NBN's use only in the event of a network failure or other type of emergency. Please list contacts in the order of priority as to who should be contacted first, the means and so on. Please also specify if the contact has any restricted contact times, days, etc, or if they should only be contacted next business day (NBD).

Thank you for your immediate attention to this form to assist us in better servicing you; we look forward to servicing your IT needs. Please email (helpdesk@nbnaz.com) or fax the completed form (480-222-6021) ASAP.
